## A REPORT ON

# A Visit to Dr. A. P. J. Abdul Kalam Science Centre, Loni

### Introduction:

Institution has formulated "Start-up and Innovation Cell" in order to develop science temper within the students. Through this cell institution organises several activities such as Science exhibition, Poster presentation, Quiz competition, Training programmes, visit to learning centres etc. In the academic year 2021-22 "Start-up and Innovation Cell" has organised a visit to "Dr. A. P. J. Abdul Kalam Science Centre, Loni". Along with the 5 faculty members, 50 students from Science and Commerce streams of our college participated in this visit on 11<sup>th</sup> Oct., 2021.

Prof. Sudam Tupe, head of the Dr. A. P. J. Abdul Kalam Science Centre, Loni introduced the centre and imparted the science knowledge to the students.

### Objectives:

- To develop science temper within the students.
- To undertake the experiential learning through carrying out experiments.

### Details of Programme:

Prof. Sudam Tupe guided the students in Science Centre. He also demonstrated some of the experiments such as Gravity well, Jumping disc, Virtual harp, Curie point, Hot and cold plate, Colour shadow, Moire pattern, Fun mirror, Acrobatic stick, Plasma globe etc. through videos and slideshows. Students also experienced the experimental learning by carrying out some of the simple experiments by their own.

### Outcomes:

Through this visit students have gained following outcomes.

- Students gained scientific knowledge.

- Students gained experimental knowledge.
- Scientific temper was developed among the students.

On behalf of Start-up and Innovation Cell, Arts, Science and Commerce College, Kolhar we are very thankful to Prof. Sudam Tupe, Dr. A. P. J. Abdul Kalam Science Centre, Lonifor giving opportunity to visit the science centre.

**April 2022**

As per the Savitribai Phule Pune University syllabus, Department of Botany organized Field visit at Krishi Vigyan Kendra Babhaleshwar on 11.4.2022. F.Y.B.Sc. and S.Y.B.Sc. 31 Students were accompanied with Dr. A. A. Aher and Ms. Kotkar S. A. Botany faculty members. During the visit, first students were taken to a Lecture hall, where they attended the Lecture of Dr. Bhosale sir about KVK Organization and working, Different schemes for farmers, training Programs available at institute. After that student visited different laboratories of KVK like Soil and Water analysis, Biofertilizer unit, Biocontrol Unit, Tissue culture laboratory, *Spirulina* Unit, and Plant Nursery.

From this visit students gain knowledge about soil and water analysis techniques, different equipments used for the analysis, Various methods of biocontrols, different methods of plant propagation various variety of fruit, vegetable plants in nursery.

Our students visited Chemistry, Microbiology, Phyto-chemistry, Plant Tissue-culture and Molecular Biology laboratories which are well equipped. Young scientists who were doing research in the institute displayed their work in the form of models, charts and also some experiments. Our students visited various labs and understood the research going on. Our main aim was to know about *Spirulina* Cultivation technique, Tissue Culture Laboratory, Molecular biology techniques related to degree syllabus. So our students visited all the Biological science departments and gained knowledge about respective subjects. Students also studied plant protection methods, Plant Nursery Management.
