

Annual Report-2021-22

Title of Scheme: Student-Teacher Guardian Scheme (Mentoring)

Objectives:

The Institute has adapted Student-Teacher Guardian Scheme as a best practice; its objectives are as follows,

1. To enhance the student's Academic Achievement
2. To enhance aspirations of students and increase their confidence through interactions and conduction of various activities
3. To promote the personal/social development of students in a safe
4. To develop their personal learning plan for high education and their career pathway.
5. To bridge the gap between teacher and student.

Context:

As 90% admitted students belong to rural background. They are very reserved and shy in nature and hesitate to interact with teachers. They are not aware about their potential and lack in effective communication skill. Keeping view of this, Institute has adapted best practice as Teacher student's guardian scheme which proved very helpful for students to enhance their skill sets and goal.

Practice:

At the outset of academic year students are allotted to all faculty members in batch wise. IQAC has prepared one student counseling booklet having all basic information and hobbies, interest and career choice. That booklet duly filled by student and its record is maintained by mentor. In the end of month meetings are scheduled to interact with allotted students to make them comfortable to share their problems, difficulties with guardian. He or she gives solution to enhance their growth by overall development. According to difficulties of students, remedial classes, bridge courses, certificate courses, career guidance, counseling session, yoga session are conducted by experts.

The mentors have one-to-one interaction with the students and they support them academic as well as personal growth. The mentors act as guides, friends and role models for the students and they imbibe values and ethics central to living a harmonious life. The college has provided printed booklet of mentees to all mentors for their personal record.

At the commencement of the academic year 2021-22, mentors were assigned new students in addition to the previous ones. The summary of the newly assigned and previously existing mentees is as follows:

After the allotment of the mentees all mentors are create awareness among the students about Code of Conduct of College. According to the scheme the meeting with mentees was carried out once a month to discuss their overall development and academic progress and problems. The mentors assigned schedule an hour's duration, they could adjust the frequency based on the needs of the mentees. In this meeting mentees and mentors are interact each other to solve their problems.

Some issues discussed the meeting are as follows:

- Create WhatsApp group of mentees for smooth interaction of the scheme.
- Students aware about various student welfare schemes in College
- Assist mentees fill the Scholarship & examination forms.
- Guide mentees personally and mobile during free time after the teaching schedule

- Discussed with mentees on curricular and extracurricular activities
- Counseling on various cross cutting issues.
- Motivate students to preparation of Competitive Examination.

The mentors also formed WhatsApp groups so that there could be an uninterrupted flow of communication whenever required. The students could discuss their problems with the mentors through telephonic exchange apart from the scheduled meet hours. The scheme was continued through WhatsApp groups during Covid-19 pandemic period.

Apart from this, mentors addressed students' problems, traced their progression during mid-semester exams, and motivated them to participate in co-curricular and extra-curricular activities, and counseled them at all levels.

The Parents appreciate that the institute is taking extra and useful steps towards the well being of their wards.

Evidence of Success:

- Due to this practice healthy relationship is established between student and teacher guardian.
- No ragging incident happened in the campus
- Student participation in curriculum and extra curriculum has been increased.
- Student's confidence level boosted up.

Problems Encountered and Resources Required:

Initially this activity takes more time to motivate the students to share their difficulties and problems with teacher and to change their mindset.
