Subject:- Request for inclusion of students of our college for Internship Programme

Madam / Sir,

Savitribai Phule Pune University has introduced 'Internship Programme' for Third Year B. Com. Students in its revised syllabus.

The purpose of the internship programme is to provide hands-on training and experience to the students about various aspects of business and commercial activities. The internship will also enhance employability of students.

In view of this, I request you to provide following students of our college (List enclosed) with an opportunity for internship in your esteemed organisation.

We would appreciate if you could provide exposure for following business activities, to these students: -

Sr. No.	Name of the Student
1.	Anap Shubham Sanjay
2.	Bang Pritesh Bharat
3.	Bang Yash Rahul
4.	Bedke Shubham Babasaheb
5.	Borude Pranav Baban
6.	Dalvi Ashwini Santosh
7.	Dethe Shubham Balasaheb
8.	Gadhe Megha Mahesh
9.	Gadhe Priyanka Rajendra
10.	Gaikwad Ajay Sanjay
11.	Halnor Vishal Sanjay
12.	Hure Vinayak Bapusaheb

SC
Bhushan

13.	Jadhav Swapnil Balasaheb
14.	Jadhav Tejasvini Rajendra
15.	Kharde Aakanksha Ramesh
16.	Kharde Kalyan Sunil
17.	Kharde Pooja Duryodhan
18.	Kharde Prasad Rajendra
19.	Kharde Rutuja Navnath
20.	Kharde Shantanu Shivaji
21.	Khose Aniket Nitin
22.	Mengar Rushikesh Ekanath
23.	More Mahesh Sanjay
24.	Nalawade Nikita Yogesh
25.	Nehe Nikita Balasaheb
26.	Nehe Shruti Ravindra
27.	Nibe Rushikesh Sandip
28.	Nibe Shubham Rajendra
29.	Patel Sahil Anis
30.	Saskar Prerana Ashok
31.	Shelar Akash Rajendra

Internship Programme Report-2021-22

India is recognized as one of the youngest nations in the world. It is estimated that by about 2025, India will have the 25% of the total global workforce (World Competitiveness Yearbook, 2012). Hence, there is a need to further develop and empower the human capital to ensure the nation's global competitiveness. India is still lagging behind in economic development due to number of problems like poverty, unemployment, illiteracy, medical infrastructure etc. In the present scenario, it is found that most of the youth being educated are facing severe unemployment problem due to lack of skills and technical knowledge. Most of them are unaware of the developments taking place in the modern world. National Skill Development Initiative will empower all individuals through improved skills and knowledge, nationally and internationally, recognized qualifications to gain access to employment and ensure India's competitiveness in the global market. In view of this, Savitribai Phule Pune University has come up with a concept to provide 'Internship' to all students studying in semester V & VI across faculty of commerce.

The internship programme will provide valuable work experience to the students, help them explore a career path and develop and refine skills that will eventually give themselves an edge in the job market. Third year students of Arts, Science and Commerce College, Kolhar studying Banking and Finance and Marketing Management as a specialisation subjects completed their internship. 25 students of Banking and Finance have completed their internship at Pravara Cooperative Bank, Branch: Kolhar and 34 students of Marketing Management at Nizarneshwar Dairy Products Limited, Pravaranagar. The internship was completed as per the guidelines of Savitribai Phule Pune University and as per the instructions of the staff which included duration of 60 clock hours. The internship programme was completed under the observation of Internship Programme Execution Cell.

**ARTS, SCIENCE & COMMERCE COLLEGE
KOLHAR**

Tal. Rahata, Dist. Ahmednagar, Pin - 413 710
NAAC Accredited at 'A' Grade with CGPA 3.10

REPORT OF ACTIVITY

**Survey Name: Generic Elective Social Survey
(Understanding Social Occupation)**

Date: 06th May, 2022

Survey Place: Kolhar village

Organized by:

Department of Political Science
Loknete Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee)
Pravara Rural Education Society's
Arts, Science and Commerce College, Kolhar

Theme of the Survey:- Generic Elective Social Survey (Understanding Social Occupation)

Objectives of the Survey:

1. To understand the social occupation of the local residents.
2. To observe what are the factors affecting the occupation of people and opportunities available to them.

Details of the Work:

The institution is permanently affiliated to S. P. P. University, Pune and follows the curricula and guidelines prescribed by University. The institute has implemented CBCS for all programme as per the guidelines of affiliating university.

Generic Elective has mandatory course for TYBA students. Under this course practical work is a part of syllabus in second semester. Students have to earn extra credits to complete their degree. As a part of syllabus village Socio-economic Survey was conducted in Kolhar village to understand the social occupation of the local residents. 41 students from TYBA class collected 41 samples (1 sample per student) were collected from local residents.

As a part of survey personal Interview was taken by the students of TYBA class. The questionnaire for survey was prepared by the supervisor. In this field work students understand the nature of work of local residents. Students went to village and took personal interviews of the local residents. The questionnaire was filled and submitted to the department of Political Science. During the survey students observed the factors affecting the occupation of people and opportunities available. They understood the problems faced to start any occupation.

After the submission of the questionnaires the discussion session was conducted to discuss observations in the class under the guidance of supervisor. The survey was completed under the supervision of Mr. P. S. Auti.

Metrics:

Number of students: 41 (Girls- 18 , Boys- 23)

Number of stakeholders: 03 (Teaching Staff- 02, Non-Teaching Staff- 01)

A report on
Department of Geography: Field Visit

At
Krusha Vidnyan Kendra Babhaleshwar

Submitted by
**The Department of Geography
Arts, Science and Commerce College Kolhar**

In Partial fulfillment of the requirement of Credit System

January, 2022

Department of Geography: Activity Report- 2021-22

Field Visit: Date- 13/01/2022

Krusha Vidnyan Kendra Babhaleshwar

Geography is the description of Earth. It studies the organic and inorganic components of the Earth. Only by reading books, the knowledge of geography is not made perfect. So it is necessary to observe geographical components on earth. This is the reason why various places should be visited. Accordingly, Savitribai Phule Pune University Pune has included the educational tour in the syllabus of SYBA and TYBA Geography special students.

On 13/01/2022 the department of geography has organized educational tour to Krushi Vidnyan Kendra Babhaleshwar (KVK). 21 students and 02 Teachers started from Arts, Science and Commerce College Kolhar at 10:00am and reached KVK at 10:30am. The head and senior scientist Dr. Nalkar communicated with students. He give them information about the work done in KVK. It included Farmers Facility Center, Weather Station, Nursery, Algae creation programme. He has given answers to the queries of students.

The Indian Council of Agricultural Research (ICAR) New Delhi after appreciating the work carried out by PIRENS sanctioned Krishi Vigyan Kendra (KVK) in the year 1992. This has helped PIRENS to intervene more intensively in the field of agriculture. PIRENS is giving a very strong support to KVK for integrated efforts to work intensively to perform better for the upliftment of rural people particularly the farming community and the unemployed rural youth.

Not only the NGO, but the sister concerns of PIRENS i.e. all the institutions of the Pravara Group are also giving strong moral and physical support to the KVs so that the KVK can provide better services for the

farming community, rural population particularly women and rural youths.

KVK plays important role in rural farmers and arrange different programmes at this center like;

1. Information and Communication Technology:-

KVK has focused on use of ICT in Agriculture from the year 1999 for which different ICT tools have been tested and adopted. Computer, Internet, Mobile, Community Radio as well as Print and Digital Media are different ICT tools used by the KVK to enhance the agriculture technology transfer.

2. Community Radio Station (CRS) & Information and Broadcasting Center:-

90.8 MHz FM KVK PRAVARA Community Radio started the programme broadcasting on 2nd October, 2009 with the mission of integrated rural development by providing the information through radio and develop the relation with the soul of the soil

3. Group Dynamics for Technology Assessment, Refinement and Dissemination:-

KVK has initiated the concept of group approach during the year 1996 for technology assessment, refinement and dissemination. KVK has established Innovative Farmers Club (Prayog Pariwar) at KVK level and Farmers Club and SHGs at village level.

4. Applied Biotechnology in Agriculture:-

KVK has given focus to reduce the cost of production besides natural resource conservation through LEISA technology. Therefore, separate programme is implemented based on use of applied biotechnology in agriculture. KVK has implemented several interventions in Biotechnology

Most of the on campus trainings were conducted for imparting the skills through practical training in the instructional units of the KVK. Improving productivity and self-employment generation are the basic objective behind the on campus skill oriented training programmes. Off campus trainings are conducted in the villages particularly on the farmer's field where the method demonstration as well as technological output shown to the trainees. The field of the innovative farmers are the venue to conduct off campus training programmes. Total 885 training programmes were conducted to practicing farmers in the villages. After training programmes, necessary inputs, services and consultancies were made available so that the technology adoption could be improved.

Dr. Dalimbe. S. N. Head Department of Geography demonstrated how to take readings of Rain gauge, Thermometer, Wind vane, Barometer, and how to send it to the farmers. The students have got information about Suvidha Kendra, Soil Testing, and Nursery. At 05:30pm the students and teachers reached the college.

To,

The Principal,

Arts, Science and Commerce College,
Kolhar. Tal- Rahata, Dist- A. Nagar.

**Subject: Permission for Field visit to Krishi Vigyan Kendra at Babhaleshwar, Tal. Rahata,
Dist. Ahmednagar**

Respected Sir,

With reference to above subject the Department of Botany going to organize a Field visit for F.Y.B.Sc and S.Y.B.Sc. Students on 11/04/2021 at 09:00 am to Krishi Vigyan Kendra at Babhaleshwar, Tal. Rahata, Dist. Ahmednagar.

You are requested to give permission for the field visit.

Thank you.

*A hand
As per need.
Jm 11/3/21
09-04-2021*

Yours Sincerely,

(Aher)

(Ms. Aher A. A.)

Date-09/04/2022

Notice

All the students of FY and S.Y. B.Sc. are hereby informed that their field visit is going to arrange on **11.04.2022 at 9.30 am**. All students are requested to attend this activity. This field visit is compulsory to all students. Students should come at 9.00am in the college with college dress code. The journey starts at 9.00 am sharp in the morning from college. Attendances will be taken before leaving the college.

Note: All the students must carry following articles along with them.

1. Notebook, pen
2. Lunch Box, Water Bottle
3. Cap
3. College Identity Card

Faculty In- charge:-

- Dr. P. D. Pulate
- Mr. V. R Kadu
- Ms. A. A. Aher
- Ms. A. N. Shinde

A Report on

Botanical Field Visit

At

Krishi Vigyan Kendra Babhaleshwar

Department of Botany

Arts Sciences and commerce College Kolhar

April 2022

As per the Savitribai Phule Pune University syllabus, Department of Botany organized Field visit at Krishi Vigyan Kendra Babhaleshwar on 11.4.2022. F.Y.B.Sc. and S.Y.B.Sc. 31 Students were accompanied with Dr. A. A. Aher and Ms. Kotkar S. A. Botany faculty members. During the visit, first students were taken to a Lecture hall, where they attended the Lecture of Dr. Bhosale sir about KVK Organization and working, Different schemes for farmers, training Programs available at institute. After that student visited different laboratories of KVK like Soil and Water analysis, Biofertilizer unit, Biocontrol Unit, Tissue culture laboratory, *Spirulina* Unit, and Plant Nursery.

From this visit students gain knowledge about soil and water analysis techniques, different equipments used for the analysis, Various methods of biocontrols, different methods of plant propagation various variety of fruit, vegetable plants in nursery.

Our students visited Chemistry, Microbiology, Phyto-chemistry, Plant Tissue-culture and Molecular Biology laboratories which are well equipped. Young scientists who were doing research in the institute displayed their work in the form of models, charts and also some experiments. Our students visited various labs and understood the research going on. Our main aim was to know about *Spirulina* Cultivation technique, Tissue Culture Laboratory, Molecular biology techniques related to degree syllabus. So our students visited all the Biological science departments and gained knowledge about respective subjects. Students also studied plant protection methods, Plant Nursery Management.

KVK Babhaleshwar Visit

KVK Visit: KVK Scientist delivers a lecture on working of KVK.

KVK Visit: Biocontrol Unit

KVK Visit: Plant Nursery

Spirulina Cultivation Unit

KVK Visit: Plant tissue culture Laboratory

KVK Visit: Practical Session Tissue Culture

REPORT OF PROGRAMME

The Departments of Commerce, Arts, Sciences and Commerce College, Kolhar organized a visit to Swayamsiddha Yatra (Stalls of SHGs). Janseva Foundation works tirelessly for the complete upliftment of rural women by building capacity, providing finance and arranging for markets. Swayamsiddha means helping oneself. Janseva Foundation wants women to be enough self-sufficient that she can overcome her own problems.

64 Students of Commerce faculty with 4 faculty members had visited the stalls of SHGs for providing them an insight and feel of Retail Marketing. Students interact with the women and acquired the knowledge from production to marketing processes. This visit sensitizes students to the practical challenges SHGs face in the business world.

Director of Janseva Foundation Dr. Ashok Kolhemake aware students about the various challenges before the youth and Project Officer Mrs. Rupali Londhe explained students various marketing strategies.

REPORT OF PROGRAMME

Topic: Field Visit to Grampanchayat Office

Date: 9th September, 2021

Time: 11: 30 am.

Venue: Grampanchayat Office, Chincholi, Tal.- Rahuri, Dist.- Ahmednagar

Organized by:

The Department of Political Science
Loknete Dr. Balasaheb Vikhe Patil Pravara Rural Education Society's
Arts, Science and Commerce College, Kolhar

Theme of the Programme:- Field Visit to Grampanchyat Office

Objectives of the Programme:

1. To create awareness among the students about Local Self Government in Maharashtra
2. To create awareness among the students about the functions of Local Self Government in Maharashtra
3. To introduce students about the importance of Local Self Government in Maharashtra in development of citizens.

Introduction of Programme:

- The Department of Political Science of the Loknete Dr. Balasaheb Vikhe Patil Pravara Rural Education Societies Arts, Science and Commerce College, Kolhar organized a one day field visit for students to Grampanchyat office, Chincholi at Thursday, on 9th of September, 2021 at 11:30 am.
- Mr. P. S. Auti, Assistant Professor and Head Dept. of Political Science introduced students about the visit.

Details of the Programme:

As per the syllabus of Savitribai Phule Pune University, Pune, Department of Political Science organized Field visit at Grampanchyat Office, Chincholi on 09/09/2021. TYBA Students were accompanied with Mr. P.S. Auti Political Science faculty member. During the visit, first students were taken to a Grampanchyat Office, Chincholi, where they know about Local Self Government of Maharashtra (Structure, Election Process of Members, Working of office, different schemes for local citizens and farmers). Our alumni Mr. Ganesh Indrabhan Harde, Sarpanch Grampanchyat, Chincholi aware students about Local Self Government of Maharashtra with special reference to Grampanchyat and share his experience as a Sarpanch with students. Mr. P. S. Auti guide students about Local Self Government of Maharashtra. So our students visit grampanchyat office and gained knowledge about respective subjects. After that student visit.

A Field Visit to

“VERMICOMPOSTING UNIT”

Introduction:

A field visit was organised by **Department of Zoology, Arts, Science and Commerce College, Kolhar** in collaboration with **Anand Agri Biotech, Durgapur Tal-Rahata, Dist- Ahmednagar** for the students. The activity was organized on **2nd March, 2021** under the MoU signed between **Department of Zoology and Anand Agri Biotech, Durgapur** dated 22/02/2021.

Vermicompost is known to be the world's best fertilizer. Vermicomposting is a method of preparing enriched compost with the use of earthworms. It is one of the easiest methods to recycle agricultural wastes and to produce quality compost. Earthworms consume biomass and excrete it in digested form called worm casts. Worm casts are popularly called as Black gold. The casts are rich in nutrients, growth promoting substances, and beneficial soil micro flora and having properties of inhibiting pathogenic microbes. Vermicompost is stable, fine granular organic manure, which enriches soil quality by improving its physicochemical and biological properties. It is highly useful in raising seedlings and for crop production. Vermicompost is becoming popular as a major component of organic farming system. Using Vermicompost can fulfil the requirements for organically grown products.

Objectives:

- To create awareness among students about benefits of organic farming.
- To explore propagation of vermicompost among students for better yield of Crop.
- To develop training, skill & team work spirit among students.
- To promote the students to make their own unit.

Details of the Visit:

We the staff members along with students, reached the vermicomposting unit situated at Durgapur at 2.00 pm. The unit was established in 2015-16 and successfully run by the owner **Mr. Prashat L. Pulate**. The details of the vermitechology were discussed with him. The faculty members also guided the students. The students observed various stages of development from cocoon to young and adult earthworms.

Students were trained in handling the equipments and earthworms. The students studied the different stages in the life-cycle of earthworm. They observed the different methods of bed preparation, inoculation and separation of culture. The trainer Mr. Prashant L. Pulate explained different stages and methods of vermicomposting in details. He started the session with interesting information about vermiculture. He explained the production technology with materials used, process of preparation and harvesting of the compost.

He focused on the fact that vermicompost has been emerging as an important source in supplementing and substituting chemical fertilizers in agriculture. Vermicompost, also known as 'farmer's friend' is used for general crops and plantation crops. It is a valuable input for sustainable agriculture and wasteland development. It is a growth promoter and helpful in providing hormones required for plant growth. There is a lot of demand for vermicompost among farmers as its use increases quality of agricultural products and its price is also cheaper. It is also used widely in pot culture and in home gardens. In addition, many government departments including agriculture, forest and horticulture buy it in bulk. Its demand has decreased over the years. Government agencies and NGOs are popularizing organic agriculture using vermicompost by organizing awareness campaigns and film show in rural and urban areas.

Students interacted with the trainer and farm-workers to know about the sericulture. They asked various questions arising in their minds. The students acquired the knowledge about species of earthworms, procurement of culture, their storage, harvesting and use of vermicompost. As many of the students are belonging to the farmers' families they feel it as a great experience. Many of them asked about the economics of the vermiculture also. It was a good interaction session where the students clarified their doubts & some could answer his questions. Mr. Prashant Pulate was delighted with the students' response.

Along with the 03 teachers, 32 students from our college participated in this study visit.
