Yoga Report

In the Academic year 2020-21 the Yoga Demo and Practice Camp was held in Arts, Science and Commerce College, Kolhar on 10th Feb. 2021. The session was held in Gymkhana Hall for the students from First Year to Post Graduation. The Inaugural Speech was given by the Principal Dr. Sopan Shingote who emphasized on the importance of Yoga and physical exercises in daily life.

A group of yoga students performed several asanas. They also performed standing and sitting asanas. One could understand by watching their performance that they have been practising yoga for the last few years.

Some of the seniors even did some of the tough asanas. Our yoga teacher showed us some simple and beginner asanas. The session was really well organised. There were teachers all around the students to help in case they had trouble in performing or understanding asanas. All the students participated eagerly and energetically. Yoga Demo was celebrated with great enthusiasm.

Even the Principal took active participation in Yoga Camp. We have planned to conduct classes of Yoga. The students would be guided about its history, century of origin & how it helped the common people. He also told the students that Yoga helps to increase concentration.

Thanking you

- Mr. Ajay Bansode, Research Fellow, NCL, Pune has a Chief Guest of the programme on 17th February.,2022.
- Mr. Parmeshwar Vikhe, Assistant Professor, ASC College, Kolhar has a Chief Guest of the programme on 18th February.,2022.
- Mr. S. B. Dighe gives the vote of thanks of participants.

Details of the Programme:

First session conducted on 17th February, 2022

MR. Ajay Bansode has given the valuable guidance on interview techniques he covered following point between in this session

1. You should walk into every interview with the goal of receiving a job offer. While interviewing is not always easy, whether it's face to face or through a virtual interview, there are a few things you can do to universally increase your chances of getting a call back, and ultimately, scoring an offer.

2. You'll be a more attractive candidate (and coworker!) if you're upbeat and optimistic about your career outlook. One of the biggest tricks to interviewing is sounding enthusiastic about the position. Mastering that skill is a big payoff, though-- the interviewer is reassured that you are interested in the job and that you'll be a good team player.

3. Prior to interviewing, take the time to write down where you want to be in 1 year, 3 years and 5 years. Be specific and map out a step by step plan on how you'll achieve those goals. Be focused and tenacious in your goals and let those ambitions be heard by the hiring company.

Second session conducted on 18th February, 2022

Mr. Parameshwar Vikhe has presented the importance of communication skill.

Communication skill are essential for the successful future career of students. In today's competitive world, communication skill in business is the most sought-after quality of an educated person. Reading, Writing and listening carefully are the three most important communication skills for students. It is possible to develop reading, oral communication skills and writing skills.

Expressive skills are those which are used to express our feelings, thoughts and expression. Students need to learn is how to communicate effectively and get the full attention of the listeners.

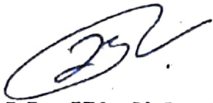

Developing your communication skills can help all aspects of your life, from your professional life to social gathering and everything in between. Professionally if you applying for job or looking for a promotion with your current employer you will almost certainly need to demonstrate good communication skills.
