**Title of the Activity:** Field Visit- Agricultural Exhibition.

**Organized By:** Department of Botany

**Date:** 23<sup>rd</sup> February, 2024      **Day:** Friday      **Time:** 10.00 Am.

**Venue:** Ahmednagar.

**Title of the Programme:** Field visit: Agricultural Exhibition.

**Name of the department / Committee:** Department of Botany

**Objectives of the Programme:**

1. To create awareness about various propagation methods in plants and creativity.
2. To develop the methods organic farming.
3. To improve advanced knowledge of Agriculture.
4. To know the knowledge about Agricultural advanced implements.

**Details of the Programme:**

Agricultural exhibition hosted by Ahmednagar district. As per the invitation letter received from Ahmednagar district, Department of Botany organized Field visit at Ahmednagar for exhibition on 23.2.2024. FYBSC and SYBSC total 45 Students were accompanied with Dr. A. A. Aher and Dr. Pavane M. S.

During the visit, students were visited different stalls in exhibition. Exhibition displays nearly 250 different agricultural stalls like wild varieties of different crops, Hybrid varieties of different crops, vegetables, fruits, flowers etc., sapling of medicinal plants, organic fertilizer, organic pesticide, different models of agricultural implements, machines etc.. Students in the region are not aware of the different varieties of crops. Except for those locally available varieties, people here have not tasted most of the other varieties of the fruit. Ahmednagar district has been organizing this exhibition, to celebrate the magnificent variety of crops offered by the various seed companies. Outside the mango festival Students also visited other biofertilizer, Biopesticides and Wild Vegetable seed stalls.

From this visit students gain knowledge about different varieties of crops, vegetables, fruits, flowers, plant protection methods, Seed bank, Biocontrol method.

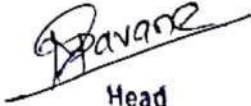

**Outcomes:**

1. Field trips provide huge practical experience and theoretical knowledge in different circumstances.
2. It also helps in improving the skills, growth, development, and communication process.
3. The field trip provides an opportunity to explore a student abilities, talent and skills on different experiences.

**Academic Year: 2023-24**

**Title of the Activity:** Medicinal Plant Nursery Visit

**Organized By:** Department of Botany

**Date:** 29<sup>th</sup> January, 2024

**Day:** Monday

**Time:** 7.00 Am.

**Venue:** Dindori, Nashik.

**Title of the Programme:** Medicinal Plant Nursery Visit.

**Name of the department / Committee:** Department of Botany

**Objectives of the Programme:**

1. The main objective of conducting an Educational Nursery visit for students is to reinforce experiential and contextual learning, better understanding about medicinal importance of plants related to traditional system of medicine.
2. To enhances student's critical thinking skills and gives them a chance to think about a topic or theme from a different prospective.
3. To create awareness about various propagation methods in plants and creativity.
4. The objective of the nursery visit was to make students understand the importance of different medicinal plants, to know the varieties of medicinal plants closely, they become more respectful and empathetic towards plants as well as their surroundings.

**Details of the Programme:**

The objective of the medicinal nursery is to create awareness of conservation and traditional uses of herbs and medicinal plants to visitors, and to also be a place where students, farmers, and others can learn how to identify and conserve these important plants. Medicinal plants have played an important role in human healthcare as the essential ingredients of traditional medicines for thousands of years. Department of Botany organized Medicinal Plant Nursery Visit at Shri swami samartha pradhan seva Kendra, Dindori, Nashik on 29<sup>th</sup> January 2024. FYBSC and SYBSC total 48 Students were accompanied with Dr. Pavane M. S., Dr. A. A. Aher, Prof. Kharde A. K. and Prof. B. M. Pehere.

During the visit, students were observed different Medicinal plants saplings in the nursery, include more than 5000 saplings of medicinal plants. We visit medicinal plant nursery which is full of medicinal plants such as *Tulsi*, *Aloe-vera*, *Adulsa*, *Periwinkle*, *Shatavari*, *Mentha*, *Ashvagandha*, *Sarpagandha*, *Jade plant*, *Shami*, *Geranium*, *Fig*, *Ginger* and many other plants. Other than these, there were many oranamental plants including *Balsam*, *Coreopsis*, *Cosmos*, *Gaillardia*, *Portulaca*, *Saliva*, *Zinnia* etc. During the visit, all the students practically come to know well about morphology of the various medicinally plants as well as essential pharmacognostical information about the plants.

From this visit students gain the knowledge about different varieties of locally available medicinal plants and its medicinal values.

**Outcomes:**

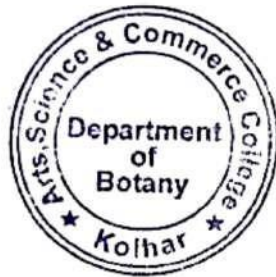

Educational visit act as catalysts for learning, as they encourage student to acquire knowledge through their senses, practice skills and apply information that has been absorbed, thus leading to better retention in their long-term memory.

### Field Visit Report 2023-24

Students from the Chemistry department of Arts, Science and Commerce College, Kolhar visited Krishi Vidyan Kendra, Babhaleshwar as part of a course activity to learn about the various physical and chemical parameters being tested in the soil and water.

The Principal and the administration of our college assisted in the advance scheduling of the activity, which was successfully carried out on Sunday 04/02/2024. There were 30 students and four staffs participated in this visit.

On behalf of the organization, Dr. Sambhaji Nalkar (Senior Scientist, KVK, Babhaleshwar) greeted and welcomed us all. He then briefed us on the social service initiatives carried out by the organization's various departments and gave us an overview of the statistical information about the people who benefited from the various programmes that were set up. The students recognized the value of such organization in uplifting society for the advancement of the country and were extremely interested in understanding the needs of those who are in need.

Dr. Bharat Davange (Junior Scientist, KVK, Babhaleshwar) explains the steps in detail and the safety measures to be observed when taking soil and water samples were discussed to the students. The students closely watched the demonstration of evaluating different soil and water testing parameters.

The following tools, their operating principles, techniques, and applications in this field were introduced to them.

1. Conductivity Meter
2. Digital Spectrophotometer
3. Titration Technique
4. Flame Photometer
5. Ph Meter

e) Out Comes:

- a. Students will be able to grasp the knowledge of soil and water testing.
- b. Students will gain knowledge of Micro and Macro nutrients.
- c. Students will be able to carry out Soil and Water analysis in laboratory.

f) Beneficiary Details:

## Field Visit Report

The Department of Commerce, Arts, Science and Commerce College, Kolhar organized a one-day visit to Sai Dhudh Dairy, Fatyabad, Tal. Shrirampur for commerce students on 22<sup>nd</sup> January 2024. This visit was arranged for the students to understand business strategies. 34 students participated in this visit with 5 faculty members. Students interacted with the Administrative and Operating level staff to learn about the dairy administration and marketing process. They visited the whole campus of Sai Dhudh Dairy.

Mr. Pandurang Athare, Proprietor of Sai Dhudh Dairy explained to the students the process from collection at farm level to intake at the dairy plant, the processing steps and the end products. 45 thousand liters of milk is cooled at this dairy plant. This cooling work is done by ammonia gas and water.

Milk is collected from different areas and brought into the dairy & received at reception section. Milk is pumped through the pipes and taken into the raw milk tanks. Before the milk is poured in the tank, it is weighed electronically and samples taken for the purpose of determining quality & price. The collected milk to store in RMT is diluted to 4°C to keep the milk clean and it helps to prevent spoilage. This is done by passing the collected milk through the chiller. Every day, three tankers of milk go to Vijayawada in Gujarat.

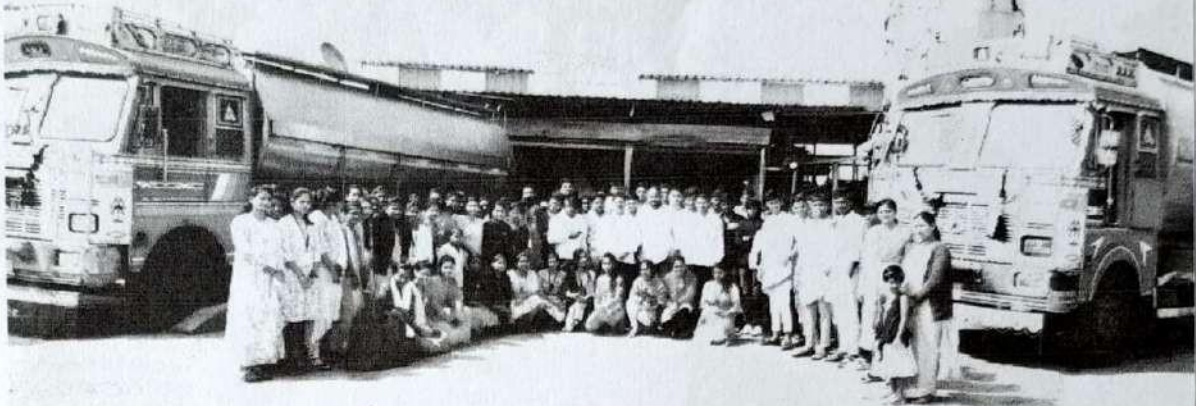

Mr. Pandurang Athare, Proprietor of Sai Dhudh Dairy also elaborates how quality control tests are important to support activities for hygiene and food standards to meet regulatory and customer demands.

The field visit has a greater learning experience to us. On this changing condition, the marketing of Dairy products has been more challenging as it now faces several competitions from private milk producers and local producers. So the unit should give their attention in ensuring the quality of products.

## Report

The Department of Commerce, Arts, Science and Commerce College, Kolhar organized a visit to Anand Melava (Anand Bazaar) at Dr. Babasaheb Ambedkar Junior College and Pravara Madhyamik Vidyalaya, Kolhar, Tal. Rahata, Dist. Ahmednagar. Anand Bazaar is a unique, annual shopping extravaganza conducted by the students at school and junior college.

This is the age of globalization and ever-increasing commercial activity. The most competitively endowed are the most successful in today's world. Keeping in view this, the students of commerce department visited the Anand Bazaar. This helps students for enhancing their marketing and persuasive capabilities.

Many students had brought vegetables, fruits, food grains, stationary items and homemade snacks to sell. Staff and students of college purchased various products.

The Principal of the school told that the activity is organized to provide hands on experience of buying and selling. The students took part with a lot of enthusiasm in the activity.

23 Students of Commerce faculty with 3 faculty members had visited the Anand Bazaar for providing them an insight and feel of Retail Marketing. Students interact with the school and Junior College Students. This visit sensitizes students to the practical challenges of the business world.

## **Theme of the Programme:- One Day Workshop on “DELNET Resources Services”**

### **Objectives of the Programme:**

1. To promote resource sharing among member libraries by collecting, storing and disseminating information by offering networking services to users.

### **Introduction of Programme:**

- The Department of Library and Information Science of Dr. BalasahebVikhe Patil Pravara Rural Education Society's Arts, Science and Commerce College, Kolhar Organized One Day Workshop on “DELNET Resources Services” on 9<sup>th</sup> Feb 2024 at 10:30 am. in the Smart Classroom.
- Prof. Rohidas Rathod was keynote speaker of the Programme
- Dr. H.R. Aher, Principal was the chairperson for the programme.

### **Details of the Programme:**

#### **“DELNET Resources Services”: A Brief Report**

On Feb 9<sup>th</sup>, 2024 One Day Workshop on “DELNET Resources Services” was organized. The keynote speaker for this program was Mr. Rohidas Rathod, Network Assistant, DELNET Coordination Unit, Pune. The program was chaired by Principal Dr. Haribhau Aher. At the beginning of the program, Librarian Dr. Anil Pawar explained the importance of the One Day Workshop on “DELNET Resources Services” and brief Introduction of Key note speaker. After the introductory speech, Prominent speaker Prof. Rohidas Rathod emphasized the importance of One Day Workshop on “DELNET Resources Services”. DELNET-Developing Library Network, New Delhi is a leading resource sharing library network in India connecting more than 8100 institutions in 33 states of India and some countries including universities, colleges, research and development institutes, medical hospitals etc. DELNET has been established with the main objective of promoting resource sharing among libraries through the development of a network of libraries.

Union Catalogue, from DELNET Network. In today's time, you can use millions of journals and books sitting at home; you should use it and add to your knowledge.

Dr. Haribhau Aher said that many activities carried out by the library department of the college are commendable activities. The library always organizes various activities. Conducting such workshops helps the readers to know different concepts of informatics and increase their conceptual level of the subject.

At the end of the program, the Vice Principal Dr. Sopan Shingote thanked all present. Students, teaching and non-teaching staff were present for the Workshop.
