Feedback Analysis Report

Academic year: 2018-19

(Students, Parents, Teachers, Alumni and Employers)

The institute aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement.

Students, teachers, parents and alumni play an important role in the evaluation, development and enhancement of the quality of this learning experience. Feedback from students, teachers, parents and alumni helps the college to evaluate how its service policies and make changes as per stakeholders requirements.

The Feedback Process has put an emphasis on the need for involvement of students in the quality assurance of higher education. Student involvement requires that students should act as a collaborators in, rather than merely passive receivers of, teaching and learning process.

All the stakeholders' feedback data was collected and analyzed as per the following tables of the academic year 2018-19.
