FEEDBACK ANALYSIS REPORT: 2022-23

The institute aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement. Students, teachers, alumni and Employers play an important role in the evaluation, development and enhancement of the quality of this learning experience.

The Feedback Process has put an emphasis on the need for involvement of students in the quality assurance of higher education. Student involvement requires that students should act as a collaborators in, rather than merely passive receivers of, teaching and learning process. All the stakeholders' feedback data was collected and analyzed as per the following tables of the academic year 2022-23.
