Late Padmashri Dr. Vithalrao Vikhe Patil was a close witness to the socio-economic transformation that had been taking place in rural Maharashtra, during pre and post independence era. Inspired by the philosophy of Mahatma Gandhi and social reformers like Mahatma Jyotiba Phule, and Karmaveer Bhaurao Patil, he was convinced that proper, relevant and quality education was the only alternative to uplift the rural masses in all spheres of life. To realize this dream, Pravara Rural Education Society and various institutes under its umbrella were established. The Chief objective was to provide appropriate education in the rural area. Girls who were deprived of education for centuries together were identified as special interest group. It aimed at providing education to all people irrespective of their social and economic status.

Under the visionary guidance of Late Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) Arts, Science and Commerce College, Kolhar, was established in 1999 with a specific objective to empower the youth physically, socially, psychologically, economically and responsible individual through quality education. At present the college with its 9.5 acres of expansive campus premises dotted with buildings with beautiful lush green surroundings, large class rooms, well equipped laboratories, exclusive library and spacious playgrounds and congenial to academic growth and overall development of learner.
