REPORT ON

NIRBHAY KANYA ABHIYAN

(Awareness Program on Health of Girls)

Academic Year 2017-18

Organized by

Student Welfare Committee

&

Women Empowerment Cell

Nirbhay Kanya Abhiyan was conducted on 23/2/2018 through Student Welfare Committee and Women Empowerment Cell in Arts, Science and Commerce College, Kolhar. An enthusiastic start to program was done by lamp lightening to the portrait of Padmashri Dr. Vitthalrao Vikhe Patil and by offering flowers by the respective members on the dais. Hon. Mrs. Dhanshreetai Vikhe Patil was the Chief Guest of the programme. Dr. S.R. Walunj welcomed the guests- Hon. Mrs. Dhanshreetai Vikhe Patil and Dr. Swati Mhaske with felicitation.

Dr. S. R. Walunj introduced the guests of the program. Dr. Swati Mhaske, Gynecologist from Rahata discussed about health issues of girls like low hemoglobin, low or high B.P, body cleanliness, weight loss etc. During this program, she also tried to answer the questions asked by girl students related to health. Dr. Swati Mhaske also provided some tips on remedies. She instructed girls to take proper diet which will keep them away from various diseases. Counseling by Dr. Swati Mhaske was really beneficial to girl students. Dr. Archana Vikhe, Vice Principal also expressed her views in regards to girls health. Dr. Ranjana Dighe delivered vote of thanks to guests and audience. The guest of second session was Dr. Anuradha Dubey from Women's College of Home Science & BCA, Loni. She explained about girls' health and nutrition. She discussed about how inadequate diet can affect the girls' health. Imbalance of nutrition leads to various types of diseases and weakness in girls. Many of the girls' health issues like underweight, iron deficiency, anemia, less hemoglobin level could be overcome by daily consumption of nutritious food. She also solved many issues of girls in discussion session. Girl students became aware about their health and gained knowledge about the nutritious food.

The third session was conducted in the afternoon. Dr. Ujjawala Bhor from Shrirampur expressed her views on self reliance as self protection. She guided girls in regards to self-reliance in any occupation. "Exert yourself to collect the wealth of knowledge" were the golden words of Savitribai Phule, who dedicated her whole life in advocating quality education for girls and making them self-reliant. Girls need to be self-reliant considering the widespread gender discrepancy. Women should leave no stone unturned to educate themselves. An educated woman knows her rights and will never be intimidated by anyone. Women who are not knowledgeable are often harassed by their husbands, in-laws etc. An educated lady will know how she can take the help of law. Girls were really impressed by her speech and guidance. Dr. Vikhe P. S. delivered the vote of thanks. Ms. Gayatri Amale anchored the program. The program was successfully conducted till end with national anthem.

Meditation Camp

Report

The growing importance of yoga and meditation and the positive impact it has on students is well known throughout the world. Meditation is very important for college students. Meditation is of great importance to increase the concentration of the students and to keep the mind of the students focused. Keeping this into consideration we organized a meditation camp at the college level on 26th June 2017 to increase the intellectual capacity of the students as well as to increase the academic and social level of the students. 50 students participated in this camp. The students were informed about the positive effect of concentration on academics. Similarly, awareness was created among the students about the importance of meditation in enhancing the intellectual capacity of the students.

The said camp will be very useful for the students to improve their academic level. Dr.S.R.Walunj, Principal of the college, provided valuable support during the camp. The coordinator of the camp was Mr.N.M.Walunj.
