### Report on "Women's Health and Diet"

Savitribai Phule Pune University Pune, Student Development Board and Arts, Science & Commerce College, Kolhar jointly organized Nirbhay Kanya Abhiyan. The topic for Programme-3 was "Women's Health and Diet". It was arranged on Thursday, 3<sup>rd</sup> January 2019 at 10.00 am. The programme was inaugurated in the presence of the chief guest Hon'ble Prof. Mrs. Kanchan Deshmukh, Home Science College, Loni and was presided over by the Principal Dr. Archana Vikhe.

The chief guest, Prof. Mrs. Kanchan Deshmukh, while guiding the Students in this programme explained the importance of healthy diet. In her speech, Mrs. Kanchan Deshmukh explained that Health and fitness is the most important aspect of our life. There is nothing more important than health for human beings. When we are healthy and fit, we are able to enjoy our life well. We can talk to our near and dear ones, we can laugh, travel, enjoy food, and sleep well. The food and drink choices affect health now and later in life. Choosing healthy foods and drinks, more often, can help prevent or manage many health problems that affect women. The studies show that when a woman eats healthy, everyone in her household is more likely to eat healthy.

Hon'ble Principal Dr. Archana Vikhe motivated girl students & expressed her views. The women of today not just adhere to the traditional roles of a daughter, a wife and a mother; they are more than just the driving force of their families. The modern-day woman is a leader at work, a team player and a key person in shaping the trends of modern-day society. However, in most households, women are the primary caretakers of their family irrespective of the profession they choose. While managing it all, women often forget to put their health first. Poor nutrition, a lot of work responsibility with low levels of appreciation takes a toll on their physical and mental health.

Dr. Ranjana Dighe briefly introduced the theme of programme and Dr. Pratibha Vikhe thanked the audience. For the success of this program, Vice Principal, Dr. Bhausahab Navale, Student Welfare Officer, Dr. Vijay Kharde and everyone in the college cooperated.
