Yoga Report

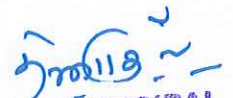

In the academic year 2021-22, the Dept. of Sports and Physical Education of the college organized a three-day Yoga and Pranayama camp for girls on 29,30 and 31 December 2021. 30 girls participated in this camp. The purpose of this was to give the students of the college scientific training in Yoga and Pranayama. In the said camp, the students learned yoga to help them physically fit, which can be managed in a short period of time during morning. Through this training, the students got knowledge about yoga and meditation that are required in the student state. The said training was given every morning from 07:30 to 09:00. The training showed improvement in the flexibility of the students and also helped to increase physical energy.

It was explained that doing pranayama along with yoga helps in the intellectual development of the students and keeps the mental balance better. Practicing pranayama daily will definitely benefit the concentration of the students. All these will help in the academic performance of the students. In the yoga and pranayama camp, the sports director of the college, Mr. Rahul Ubale, trained all the students and also instructed them to do the same practice regularly at home.

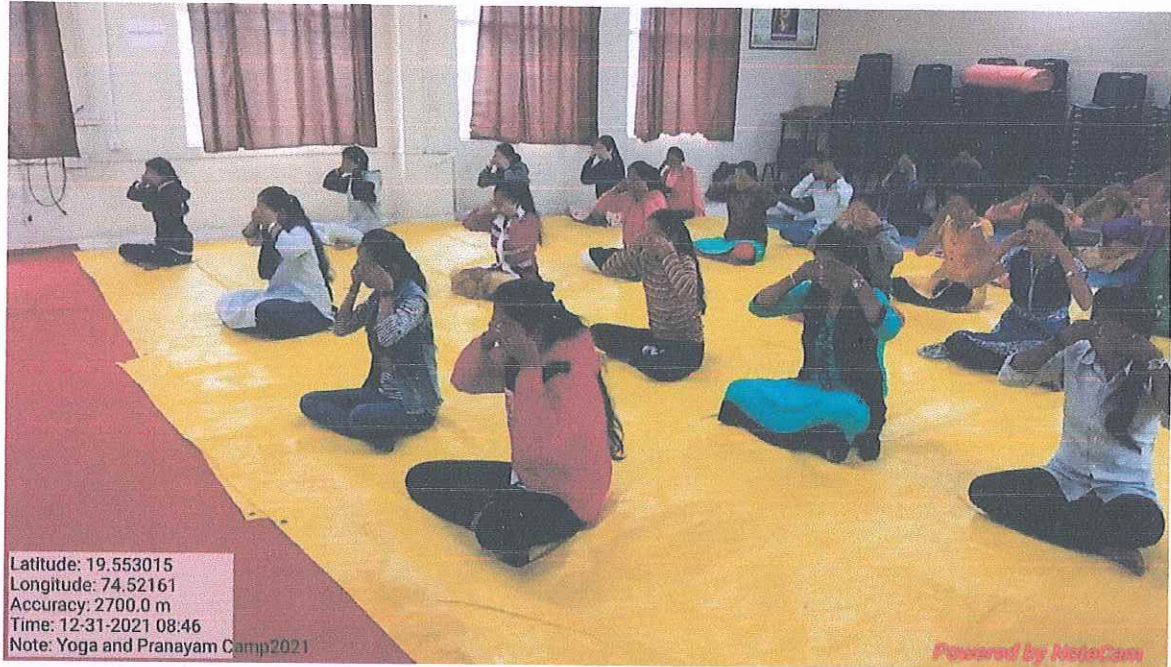

The camp received support of Dr. Sopan Shingote, the Principal of the college and Dr. Chandrakant Rudraksh, the vice-principal. At the same time, the cooperation of all the teaching staff helped to make the camp to be successful.

Yoga Report

The Yoga Demo and Practice Camp was held at Arts, Science and Commerce College, Kolhar on **10th Feb. 2022**. The session was held in our gymkhana hall. 50 students from First year to Post Graduation participated in the Camp. The inaugural speech was given by the Principal Dr. S.N. Shingote sir who emphasized the importance of Yoga and physical exercises in daily life.

A group of yoga students performed asanas nicely and accurate.. They also performed standing and sitting asanas. One could understand by watching their performance that they have been practising yoga for the last few years.

Some of the seniors even did some of the tough asanas. Sports Director Mr. R.V. Ubale demonstrated Bhujangasana, Tadasana, Halasana and other asanas. The session was well organised. Teachers were available to help in case students had trouble performing or understanding asanas. All the students participated eagerly.

Even our principal took active participation in yoga camp. Next, we learnt theory of yoga. About its history, a century of origin, how it helped the common people. We were told that yoga helps increase concentration.
