A Field Visit to

"VERMICOMPOSTING UNIT"

Introduction:

A field visit was organised by **Department of Zoology, Arts, Science and Commerce College, Kolhar** in collaboration with **Anand Agri Biotech, Durgapur Tal-Rahata, Dist- Ahmednagar** for the students. The activity was organized on **2nd March, 2021** under the MoU signed between **Department of Zoology** and **Anand Agri Biotech, Durgapur** dated 22/02/2021.

Vermicompost is known to be the world's best fertilizer. Vermicomposting is a method of preparing enriched compost with the use of earthworms. It is one of the easiest methods to recycle agricultural wastes and to produce quality compost. Earthworms consume biomass and excrete it in digested form called worm casts. Worm casts are popularly called as Black gold. The casts are rich in nutrients, growth promoting substances, and beneficial soil micro flora and having properties of inhibiting pathogenic microbes. Vermicompost is stable, fine granular organic manure, which enriches soil quality by improving its physicochemical and biological properties. It is highly useful in raising seedlings and for crop production. Vermicompost is becoming popular as a major component of organic farming system. Using Vermicompost can fulfil the requirements for organically grown products.

Objectives:

- To create awareness among students about benefits of organic farming.
- To explore propagation of vermicompost among students for better yield of Crop.
- To develop training, skill & team work spirit among students.
- To promote the students to make their own unit.

Details of the Visit:

We the staff members along with students, reached the vermicomposting unit situated at Durgapur at 2.00 pm. The unit was established in 2015-16 and successfully run by the owner **Mr. Prashat L. Pulate**. The details of the vermitechology were discussed with him. The faculty members also guided the students. The students observed various stages of development from cocoon to young and adult earthworms.

Students were trained in handling the equipments and earthworms. The students studied the different stages in the life-cycle of earthworm. They observed the different methods of bed preparation, inoculation and separation of culture. The trainer Mr. Prashant L. Pulate explained different stages and methods of vermicomposting in details. He started the session with interesting information about vermiculture. He explained the production technology with materials used, process of preparation and harvesting of the compost.

He focused on the fact that vermicompost has been emerging as an important source in supplementing and substituting chemical fertilizers in agriculture. Vermicompost, also known as 'farmer's friend' is used for general crops and plantation crops. It is a valuable input for sustainable agriculture and wasteland development. It is a growth promoter and helpful in providing hormones required for plant growth. There is a lot of demand for vermicompost among farmers as its use increases quality of agricultural products and its price is also cheaper. It is also used widely in pot culture and in home gardens. In addition, many government departments including agriculture, forest and horticulture buy it in bulk. Its demand has decreased over the years. Government agencies and NGOs are popularizing organic agriculture using vermicompost by organizing awareness campaigns and film show in rural and urban areas.

Students interacted with the trainer and farm-workers to know about the sericulture. They asked various questions arising in their minds. The students acquired the knowledge about species of earthworms, procurement of culture, their storage, harvesting and use of vermicompost. As many of the students are belonging to the farmers' families they feel it as a great experience. Many of them asked about the economics of the vermiculture also. It was a good interaction session where the students clarified their doubts & some could answer his questions. Mr. Prashant Pulate was delighted with the students' response.

Along with the 03 teachers, 32 students from our college participated in this study visit.

(18th February, 2021)

Arts, Science and Commerce College, Kolhar and IQAC organized a talk on 'Professional Ethics' on 18th February, 2021 in the VLC hall, for all the teaching and non-teaching staff of the college. The programme was chaired by Hon. Principal Dr. S. N. Shingote. Prof. Jayashri R. Singar (Principal, Arts, Commerce and Science College, Satral) was the chief guest.

The programme was started by welcome and introductory speech by Prof. Parameshwar B. Vikhe (IQAC, Coordinator). He focused on the aims and objectives of the code of conducts and professional ethics.

Prof. Jayashri R. Singar delivered a very enlightening and interesting talk on professional ethics. She conducted a fun interaction with the participants. She focused on some universal ethical principles that apply across all professions, including: honesty. Trustworthiness, loyalty, respect for others, adherence to the law, doing good and avoiding harm to others and accountability.

The Chairperson Dr. S. N. Shingote Principal, Arts, Science and Commerce College, Kolhar in his Presidential speech threw light on Promoting Workplace Ethics and suggested to Be a Role Model and Be Visible, communicate Ethical Expectations, Visibly Reward Ethical Acts and Punish Unethical Ones and to Provide Protective Mechanisms. He also suggested to Offer Ethics Training for all the stakeholders.

31 teaching and 04 Non teaching staff participated in the program. The programme was ended by presenting vote of thanks by Dr. P. D. Pulate for the outstanding and informative session.

Internal Academic and Administrative Audit (AAA)

Academic Year: 2020-21

Introduction

About the Institution

Pravara Rural Education Society, Pravaranagar, is one of the most reputed education societies in Maharashtra. It was established in 1964 by Late Padmashri Dr. Vitthalrao Vikhe Patil, the founder father of sugar co-operative movement in India, to cater to the higher educational needs of the rural masses. Under the leadership of Late Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee), Arts, Science and Commerce College, Kolhar was established in 1999. Presently, Hon'ble Namdar Radhakrishna Vikhe Patil, Chairman, Loknete Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) Pravara Rural Education Society, Pravaranagar has shouldered the responsibility of providing the best facilities for the all-round development of students from rural background.

The institute is permanently affiliated to the Savitribai Phule Pune University, Pune and is approved 2(f) and 12 (B) of the UGC act. It is accredited by NAAC at 'A' grade with CGPA-3.10 in May 2015. The college has 9.5 acres lush green campus equipped with infrastructural and physical facilities for teaching, learning and reaches to the educational needs of students. It offers 6 undergraduate programs in B.A. English, Marathi, Hindi, Geography, B. Com. and B.Sc. in Chemistry, 02 post graduate and 05 Certificate courses.

Academic and Administrative Audit: An Overview

Academic and Administrative audits play vital role in ensuring the excellence in higher education. Both are interrelated concepts, to maintain quality oriented academic in HEI, there should be strong administrative support.

Academic Audit: - Academic audit can be understood as a scientific and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities in HEIs.

Administrative Audit: - It can be defined as a process of evaluating the efficiency and effectiveness of the administrative procedure. It includes assessment of policies, strategies & functions of the various administrative departments' control of the overall administrative system etc.

Being a quality ensuring functional body, Internal Quality Assurance Cell has conducted internal academic and administrative audit of various academic departments and administrative sections. IQAC has formed the committee to verify the data and documentations.

Internal Quality Assurance Cell of Arts, Science and Commerce College, Kolhar conducted Internal Academic and Administrative audit by constituting following committee under chairman of senior Professor. The audit was conducted during **29th to 31st March 2021**.

Constitution of Academic and Administrative Audit Committee

Sr. No.	Name of the Faculty	Designation	Department
1.	Dr. S. N. Dalimbe	Chairman	Head, Dept. of Geography
2.	Dr. P. T. Tupe	Member	Dept. of Hindi
3.	Mr. V.R. Kadu	Member	Head, Dept of Chemistry
4.	Dr. A. A. Vikhe	Member	Dept of Commerce
5.	Mr. Parameshwar. B. Vikhe	Member	IQAC Coordinator

Objectives of the Academic and Administrative Audit

The main objective of AAA is to understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses.

- To identify the bottlenecks in the existing administrative mechanisms and to identify the opportunities for academic reforms, administrative reforms and examination reforms etc.
- To evaluate the optimum utilization of financial and other resources.
- To suggest the methods for continuous improvement of quality keeping in mind criteria and reports by NAAC and other bodies.

Method of Academic and Administrative Audit

Internal Quality Assurance Cell has prepared self evaluation format for Academic and administrative audit which is circulated to respective departments. IQAC collects data and information from all academic and administrative departments. The chairman of IQAC forms a committee consisting of senior faculty as a chairman and representative from each faculty and IQAC coordinator as members. Internal academic and administrative Audit is conducted once in the academic year. The committee scrutinizes the documents as per data given in prescribed format and evaluates with standard of marking system and grades each department. The audit is scheduled at the end of each academic year. The chairman of audit committee submits cumulative reports to the Principal. The audited report is placed before IQAC and College Development Committee for further action.
