Arts, Science and Commerce College,
Kolhar Tal. Rahata, Dist.- Ahmednagar- 413710
Affiliated to Savitribai Phule Pune University, Pune

Self Study Report: 2023 (2nd Cycle)

Criteria- 7

**Institutional Values
and Best Practices**

Key Indicator: 7.1
Institutional Values and Social Responsibilities

Metric: 7.1.3 (QnM)

Environmental Consciousness and Sustainability and Divyangjan friendly initiatives

Quality audits on environment and energy regularly undertaken by the Institution.

The institutional environment and energy initiatives are confirmed through the following

1. Green audit / Environment audit
2. Energy audit
3. Clean and green campus initiatives
4. Beyond the campus environmental promotion activities

Submitted to
NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL
BENGALURU

Activity report on

Van Mohatsav

**Department of Botany,
Arts, Sciences and Commerce College, Kolhar
Tal- Rahata Dist- Ahmednagar**

Van Mahotsav Activity

(9th July, 2022)

Van Mahotsav or Forest **Festival** is tree-planting **festival** in which thousands of trees are planted all over the country. **Van Mahotsav** week is celebrated from 1st July to 7th July to spread awareness of forest conservation and to save the environment. The Department of Botany, Arts, Science and Commerce College, Kolhar celebrated “**Van Mahotsav**” on 9th July, 2022. On this Occasion the Department of Botany organized the tree plantation program at Sahyadri Vanrai in Tandulner Village.

At 9:00 am, 41 students, teachers as well as other staff were gathered in the college premises. The program was endorsed by the presence of the Hon. Principal Dr. Aher H.R. The event commenced with a warm welcome speech by Dr. H.R. Aher, the honorable Principal of the college. This was followed by the planting of saplings. Tree plantation programme was started by the auspicious hands of Tandulner Grampanchyat Member Mr. Musmade and Mr. Mhetre sir. They motivate the students about tree plantation. The students showed great eagerness while planting the saplings of various trees. They were told about the importance of each tree that was planted and were given simple instructions on how to take care of the same.

The Plantation drive was organized by Dr. A.A. Aher Dept. of Botany, Dr. P.T. Tupe NSS Programme Officer of the College. The program was coordinated by Dr. Shingote S.N. Dr. Pulate P.D and Mr. Dighe S.B. A few students from the committee highlighted the emotional impact of trees in addition to their environmental role. Several problems or issues created by deforestation and depleting trees were highlighted through the speeches. The students were made to understand and appreciate the role played by the planting and tending of trees in preventing global warming, reducing pollution, and promoting rainfall. This led to enthusiastic discussions among the students. The curiosity to learn and the will to create a change were clearly seen in the efforts of the students. They also learned that ‘Van Mahotsav’ is celebrated at the onset of the monsoon season because the saplings planted during this period have a greater chance of survival. These various activities helped to instill the value of social responsibility in the students.

सकाळ

पर्यावरणपूरक गणेशविसर्जनास चांगला प्रतिसाद

कोल्हार, ता. २० : शहरी भागाप्रमाणेच कोल्हार भागवतीपूर या ग्रामीण भागातील गणेशभक्तांनी पर्यावरणपूरक गणेश विसर्जनास चांगला प्रतिसाद दिला. लोकेनेते बाळसाहेब विखे पाटील प्रवरा ग्रामीण शिक्षण संस्थेचे येथील कला, विज्ञान व वाणिज्य महाविद्यालय, तसेच कोल्हाळेस्वर सामाजिक प्रतिष्ठानतर्फे ग्रामपंचायतीच्या सहकायाने कृत्रिम कुंडात गणेशमूर्तीच्या विसर्जनाची व्यवस्था करण्यात आली होती.

महाविद्यालयाचे प्रभारी प्राचार्य डॉ. सोपान शिंगोटे, तसेच पद्मश्री विखे पाटील साखर कारखान्याचे संचालक कोल्हाळेस्वर प्रतिष्ठानचे संस्थापक स्वर्गील निवे यांनी अशा प्रकारच्या विसर्जनासाठी विशेष पुढाकार घेतला होता. पर्यावरणपूरक गणेश विसर्जनाचे महाविद्यालयाचे यंदाचे तिसरे व कोल्हाळेस्वर प्रतिष्ठानचे दुसरे वर्ष आहे. येथील महादेव मंदिरासमोर तयार करण्यात आलेल्या कृत्रिम कुंडात, तसेच प्रवरा नदीपात्रात खोल खड्डा

कोल्हार : प्रवरा नदीपात्रातील खड्ड्यात मूर्तीचे विसर्जन करताना प्रवरा महाविद्यालयाचे प्राध्यापक.

(छायाचित्र : सुहास वैद्य)

खोदून त्यात मूर्तीचे विसर्जन करण्यात आले.

महाविद्यालयाचे विद्यार्थी विकास मंडळ व राष्ट्रीय सेवा योजना जाणीव-जागृती उपक्रमांतर्गत गणेशमूर्ती विसर्जनाचा कार्यक्रम घेण्यात आला. पर्यावरणाची हानी टाळण्यासाठी व सामाजिक बांधिलकी जपण्यासाठी

गणेशमूर्ती व निर्माल्य संकलन करून त्याचेही विसर्जन करावे, असे आवाहन ग्रामपंचायतीनी तसेच महाविद्यालयातर्फे करण्यात आले होते. त्यास गणेशभक्तांकडून मिळालेला उत्स्फूर्त प्रतिसाद आयोजकांना प्रोत्साहित करणारा ठरला आहे. विसर्जनप्रसंगी डॉ. अर्चना विखे, डॉ. प्रकाश पुलटे, डॉ. भाऊसाहेब नवले, डॉ. एस. एन. डाळिंबे, डॉ. विजय कडनोर, प्रा. प्रवीण तुपे, प्रा. उत्तम येवले, प्रा. मधुकर बाणी, प्रा. संगीता धिमते व ग्रामपंचायतीचे कर्मचारी उपस्थित होते. विसर्जनादरम्यान पोलिस पथकही ठिकठिकाणी नजर ठेऊन होते. स्थानिक काही गणेश मंडळे व घरगुती गणेश मूर्तीचे मर्यादित स्वरूपात प्रवरा नदीपात्रात व अन्यत्र शक्य त्या ठिकाणी गणेश विसर्जन करण्यात आले. कोरोनाच्या पार्श्वभूमीवर साध्या पद्धतीने साजरा झालेल्या गणेशोत्सवाची सांगता मात्र रात्री उशिरापर्यंतच्या डीजेच्या दणदणाटाने झाली.

Subject: Permission to Non conventional energy awareness program as extension activity for native villagers.

Sir,

With reference to above mentioned subject the department of physics is willing to undergo non conventional energy awareness program as a extension activity for farmer of near by villages.

On the behalf of department, I request you to grant us with permission to visit at Rampur.

Yours Sincerely,

M. Muneef

Extension Activity for near by villagers Non Conventional energy Awareness Program

Brief Note

Star Energy's energy awareness program revolves around developing a sustainable program, including identifying key strategies for the program, communication and organizing various events and reporting and analysis of results - including tangible and intangible gains.

We acknowledge the fact that motivating and inspiring behavioral change takes more than a passive campaign through emails and posters. Our program is customized to address those deeper issues and targets the behavioral routines of your students to convert them from passive and unconscious to proactive actions. Star Energy's primary focus is to develop a customized program that complements your village corporate energy and sustainability management program

Department of Physics runs a extension activity Non-conventional energy awareness program for native villagers. The main objective behind starting this activity was that the most of students and stakeholders belong to family with agricultural background. Now a day whole world is facing energy crisis. Due to large dependance & uncontrolled use of fossile fuels, hike in their prices is unavoidable. Due to limited stocks, fossile fuels will be depleted in near future. hence focus must be made towards renewable & non pulluting energy sources to fulfill the future energy demands. Solar energy is inexhaustible & freely available to all & hence it could be the best option.

PRINCIPAL
ARTS, SCIENCE & COMMERCE COLLEGE
KOLHAR, TAL. RAHATA, DIST. AHMEDNAGAR

AIMS & OBJECTIVES:

1. To arouse social consciousness of the students by providing them opportunities to work with and among the people.
2. To develop an awareness and knowledge of social realities for the well being community.
3. To develop skills needed in the exercise of acquiring good leadership and self employability.
4. To understand interrelationships among science, technology, and human activity and how they can affect the world.
5. To understand the processes of scientific investigation, and design, conduct, communicate about, and evaluate such investigations.

EXPECTED OUTCOMES:

1. This extension activity may be results into effective sharing of knowledge, practices and technologies in support of the implementation and Conservation of nature.
2. This activity will be best platform to student to represent their ideas with their joiner students and get motivation "SAVE ENERGY" and use natural sources.
3. Because of this extension activity peoples will be able to save and produce electricity with help of panel.
4. Peoples will be take benefit of government Scheme regarding Solar Energy.
5. This extension activity will divert the peoples from nonrenewable energy sources to the renewable energy source

Subject: Permission to Non conventional energy awareness program as extension activity for native villagers.

Sir,

With reference to above mentioned subject the department of physics is willing to undergo non conventional energy awareness program as a extension activity for farmer of near by villages.

On the behalf of department, I request you to grant us with permission to visit at Chincholi.

Yours Sincerely,

Approved

AIMS & OBJECTIVES:

1. To arouse social consciousness of the students by providing them opportunities to work with and among the people.
2. To develop an awareness and knowledge of social realities for the well being community.
3. To develop skills needed in the exercise of acquiring good leadership and self employability.
4. To understand interrelationships among science, technology, and human activity and how they can affect the world.
5. To understand the processes of scientific investigation, and design, conduct, communicate about, and evaluate such investigations.

EXPECTED OUTCOMES:

1. This extension activity may be results into effective sharing of knowledge, practices and technologies in support of the implementation and Conservation of nature.
2. This activity will be best platform to student to represent their ideas with their joiner students and get motivation "SAVE ENERGY" and use natural sources.
3. Because of this extension activity peoples will be able to save and produce electricity with help of panel.
4. Peoples will be take benefit of government Scheme regarding Solar Energy.
5. This extension activity will divert the peoples from nonrenewable energy sources to the renewable energy source

Department of Physics

Extension Activity for near by villagers
Non Conventional energy Awareness Program

Brief Note

Climate change and sustainability are linked to endeavors of the college to make people aware of their responsibilities towards building a sustainable life. As part of its mandate to promote energy efficiency and conservation, College has undertaken multimedia energy awareness campaign to inculcate the habit of conservation and sustainability. The objective is to enhance awareness level amongst the public on energy efficiency and inform them about the virtues of adopting energy conservation. People are also made aware of the quality and standard issues of energy intensive appliances.

Department of Physics runs a extension activity Non-conventional energy awareness program for native villagers. The main objective behind starting this activity was that the most of students and stakeholders belong to family with agricultural background. Now a day whole world is facing energy crisis. Due to large dependence & uncontrolled use of fossile fuels, hike in their prices is unavoidable. Due to limited stocks, fossile fuels will be depleted in near future. Hence focus must be made towards renewable & non polluting energy sources to fulfill the future energy demands. Solar energy is inexhaustible & freely available to all & hence it could be the best option.

कला, विज्ञान व वाणिज्य महाविद्यालय, कोल्हार,
ता. राहाता, जि. अहमदनगर.

महोदय,

लोकनेते डॉ.बाळासाहेब विखे पाटील (पद्मभूषण आधिने सन्मानित) प्रवरा ग्रामीण शिक्षण संस्थेचे कला, विज्ञान व वाणिज्य महाविद्यालय, कोल्हार या महाविद्यालयाने दिनांक १९ सप्टेंबर, २०२१ रोजी “पर्यावरण पुरक गणपती उत्सव” कार्यक्रम उत्स्फूर्तपणे राबविला.

भारतामध्ये दरवर्षी मोठ्या संख्येने गणेशोत्सव साजरा केला जातो. गणेशमूर्ती Plaster of Paris च्या असल्यामुळे त्या पाण्यात विरघळत नाहीत, तसेच त्यांचे रंग व निर्माल्य पाण्यात मिसळल्यामुळे सजीवसृष्टी, पाण्यातील जलचर यांच्यावर हानीकारक परिणाम होतो.

पर्यावरणाचा -हास किंवा पाण्याचे प्रदूषण टाळण्यासाठी नदी पत्रात गणेशमूर्तीचे विसर्जन न करण्यासाठी कला, विज्ञान व वाणिज्य महाविद्यालयाने “पर्यावरण पुरक गणपती उत्सव” या उक्रमांतर्गत भाविकांनी विसर्जनासाठी आणलेल्या गणेशमूर्ती व निर्माल्य महाविद्यालयास दान करा व पर्यावरणाची हानी टाळा असा संदेश दिला. सुरुवातीस कमी प्रतिसाद मिळाला. परंतु गणेश मूर्ती दान करणा-या भाविकांची संख्या वाढत गेली. सर्व भावीक भक्तानी गणेशमूर्ती महाविद्यालयाचे प्राध्यापक व विद्यार्थी यांचेकडे जमा करुन एक नवा आदर्श घडविला. त्यामुळे प्रवरा नदीच्या पाण्याचे प्रदूषण व पर्यावरणाचा -हास कमी होऊन मानव व जलचरसृष्टीचे संरक्षण झाले.

महाविद्यालय मागील ३ वर्षांपासून हा स्तुत्यउक्रम राबवत असून याउक्रमाबद्दल भगवतीपूर ग्रामस्थ व ग्रामपंचायत यांचेवतीने हार्दिक आभार व अभिनंदन!
