Annexure -III

A) Skill Oriented Certificate Courses

B) IT-KIOSKS Center for villagers

A)

1. Title of the Practice: 'Skill Oriented Certificate Courses'

2. Goal:

“To improve the knowledge, develop skills and abilities for the employability of student”

To enable students to grasp employment opportunities at global and local level

- To inculcate value based education among the students
- To develop a nexus between education institution and society for mutual benefits by socio- economic and cultural transformation

3. The Context:

The Institution is located in rural area, due to which many students face difficulties in upgrading the knowledge and skills. Since, the inception of the institution the founder father Padmashri Dr. Vitthalrao Vikhe Patil had a dream to provide employment opportunities to the marginalized section of the society.

Industrialization and globalization have created a lot of job opportunities, but rural students seem to lack of confidence. To cope with this competitive environment and to make rural students stand by themselves, with this liberal view skill oriented certificate courses have been started.

4. The Practice:

Apart from university programme the institution has introduced following skill oriented courses for academic year 2015-16

Sr. No.	Name of the Course	Duration	Affiliation	Intake	Fees
1	Computer Literacy	3 Months	College	360	500
2	English Proficiency	3 Months	College	60	500

3	Personality Development	3 Months	College	60	500
4	Nursery Management	6 Months	College	60	500
5	Entrepreneurship Development	3 Months	College	60	500
6	Geographical Information System	3 Months	College	60	500
7	Tally and Data Entry	3 Months	College	25	2000

The criteria and admission process of SOCs are as follows:

- Information about the SOCs admission process is available in the prospectus, also displayed on the notice board and the college website
- Admission for skill oriented courses is open to all students
- ‘Computer Literacy Programme’ is compulsory for all entry level students
- From optional courses, any one course is compulsory for Second and Third year UG students
- CCC, Tally and Data Entry Courses are open to all students as per their interest/choice
- The syllabus of SOCs is designed by the institution. The experts from industrial and entrepreneurship, Parents, Alumni, are invited for designing and developed the syllabus.
- Feedback of stakeholders are used to develop the Syllabus of SOCs
- The institution has appointed the coordinator for each course for the smooth functioning
- Computer Literacy Programme computer trainer is appointed by the institution
- Classes of SOCs are conducted between the regular two session morning and afternoon which is included in time table
- Expert lectures on ‘Entrepreneurial skills’ and ‘Personality development’ are organized
- Library provides books of eminent and successful entrepreneurs, various journals, and magazines
- The evaluation process of SOCs is carried out through written and practical/oral exam
- For computer related courses computerized/practical examinations are conducted

- Certificates are awarded to students by the institution

5. Evidence of Success:

- The above mentioned efforts help the students to enhance their entrepreneurial skills and self employment
- Outcome of our best practice the student improved their professional skill and admission of students has increased
- Computer Literacy course make all first year UG student computer literate
- The 'Entrepreneurship Development' programme motivates our graduate to start their own business.
- Mr. Aakash Kanade has started his own business of Cushion work and Mr. Wasim Pinjari started his cloth center in Kolhar
- College is situated in rural area. Most of the students of the college belong to the farming community. So our skill oriented sericulture course gave impetus to our students to start their own sericulture practice at their farm. One of them Mr. Akshay Gulave have started sericulture unit at Rahimpur
- GIS course Mr. Kiran Raut and Mr. Vishnu Gaikwad have started the mapping work at the Hi-tech Institute, Pravaranagar and Unique Computer center, Kolhar
- Nursery management course, Mr. Prasad Salunkhe has set up his own plant nursery
- Extensive efforts are taken by the Institution to inculcate soft skills among our graduates through soft skill development programme, personality development and English proficiency course. Miss. Shital Musmade has started private tuitions

6. Problems Encountered and Resources Required:

- Traditional mindset is major hurdle in awareness regarding skills
- Most of students are from economically weaker section so they not afford to pay the fees of SOCs. Hence, college charges minimum fees
- Institution provides all necessary infrastructure and resources for the successful implementation

B)

1. Title of the Practice: “IT-KIOSKS Center for villagers”

2. Goal:

- To develop nexus between globalize world and rural community
- To provide necessary knowledge through ICT to farmers, students, senior citizens, women of rural area

3. The Context:

- The institute is located in rural area. The rural society faces many challenges handling and use of Information and Technology ,with this view Padmabhushan Dr. Balasaheb Vikhe Patil has started this project in the rural area of Pravara
- The institution has started IT KIOSKS center at adopted village *chincholi* to meet the needs of villagers
- To develop a nexus between education institution and society for manual benefits by socio-economic and culture transformation.

4. The Practice:

- IT KIOSKS centre provides information about agriculture market prices, weather conditions, weather forecast, natural disaster warnings, welfare schemes of the central and state governments, health and sanitation, results of the examinations conducted by the Government and private educational institutions, information on courses offered by educational institutions, employment news to villagers
- This activity consists user friendly interface in the local language have been all required information needed for the rural community.
- Provides audio-video information to farmers and students
- Farmers get information regarding the agricultural innovative technologies and medical facilities by video conferencing with KVK,Babhaleshwar and PMT,Loni
- The student can get educational information viz. Online form, result, email, job advertisement, e-learning etc.

- All the above facilities are provided free of cost to the native people

5. Evidence of Success:

- Farmers get day to day market position of commodity and knows up-down in market
- It helps students to fill various online applications i.e. exams, scholarships etc especially SSC , HSC and college students
- Farmers get solution regarding their fruit product problems by tele-conferencing with KVK, Babhaleshwar
- The economically poor villagers are benefited by telemedicine scheme of PMT, Loni

6. Problems Encountered and Resources Required:

- Illiteracy and traditional mindset of villagers is main obstacle to run this activity
- Sometimes connectivity from BSNL disturbs
